QUINTA DO LAGO - ALGARVE

DESCRIÇÃO PROGRAM

Started in 1970, Quinta do Lago became the foremost luxury real estate development in Portugal and is considered by reputed international real estate Savills as the most successful residential leisure development in the world, in addition to being a European reference for the high quality standards in its 750 hectares. Located within the Nature Reserve of Ria Formosa, the site of some of the most beautiful houses and best golf courses in Europe after almost 50 years continues, due to its design, climate and location, the originality and beauty of landscapes to attract those looking for exclusivity.

FASE PHASE: Concluído Completed

Monte da Quinta

VILAMOURA - ALGARVE

Em 1996 André Jordan parte para um novo desafio: recuperar a qualidade e grandeza de Vilamoura, tarefa que, atendo à dimensão do empreendimento e ao estado degradado exigia todos os recursos da sua experiência e visão no negócio imobiliário.

A recuperação da parte existente do resort, a elaboração e aprovação do Projecto Vilamoura XXI, a construção de novos campos de golfe e a reabilitação dos antigos fizeram da nova Vilamoura um case study internacional.

Em Vilamoura o André Jordan Group desenvolveu o The Residences at Victoria Clube de Golfe, um empreendimento de excelência composto por 145 apartamentos no coração de Vilamoura XXI.

In 1996 André Jordan set out on a new challenge: to recover the quality and grandeur of Vilamoura, a task that, taking into account the size of the resort and the degraded state of it, required all the resources, experience and vision the group had.

The recovery of the old part of the resort, the preparation and development of the Vilamoura XXI Project, the construction of new golf courses and the rehabilitation of the old ones made the new Vilamoura an international case study.

In Vilamoura the André Jordan Group developed The Residences at Victoria Clube de Golfe, an admirable development consisting of 145 apartments in the heart of Vilamoura XXI.
